# Welcome to STUDIO919

Studio 919 is a 1,000-square-foot meeting space in downtown Austin that offers a beautiful view of historic Congress Avenue just a few blocks from the Texas State Capitol.

With stellar A/V offerings, the studio is perfect for meetings, cocktail receptions, film screenings, podcast recordings, livestreamed public events, panel discussions, workshops and more.

### **HD Video Display**

• High-definition 12-by-6-foot video wall perfect for PowerPoint, video, still photos or logo displays

### Worry-free Audio

• Whether you just need a simple microphone for a lone presenter or you have a panel of guests fielding questions from the audience, our professional-grade sound ensures everyone in the room hears perfectly.

#### **Professional-level Video**

- If you want to record your event, our HD cameras provide crystal-clear video coverage.
- Robotic and wall-mounted, our cameras require no in-room operators, meaning your guests can focus on the event without being distracted by equipment or production personnel

### Share Your Event Live

• Want to stream video of your event on your site, Facebook, YouTube or other services? We can make that happen.

### Flexible Room Configuration

- We offer a range of layout options to fit your needs, including theater, classroom, boardroom and cocktail party layouts.
- No matter your event, our flexible stage and room lighting fits your needs. From broadcast-quality studio shots to intimate fireside chats to multicolor party up-lighting across the walls, our lighting complements your event.

We are here to make your event planning easier

### What clients are saying

Our organization, TACTE, hosted a "Meet the Legislative Staff" come-and-go breakfast event at Studio 919. **Every detail of the experience was positive**: access to the Capitol, beautiful facilities, catering options, and outstanding views of the city. Above all, Charley, the Sales and Events Manager, made the process so easy! I **highly recommend** the location.

> **Glenda Ballard** Dean of St. Edward's University

I hosted an event at Studio 919 and had a wonderful experience. The space is ample and has beautiful views of the city. **The staff was extremely helpful from beginning to end and they ensured our event was a success**. They helped with food/bartender recommendations which turned out to be fabulous and all of our guests had an amazing time. I highly recommend Studio 919 and look forward to working with them again.

> Michele Miller Marketing Director, Kemp Smith Law

The team at Studio 919 at The Texas Tribune created a **seamless experience** for us. They helped us bring together a great group of people in a **beautiful venue**, and we look forward to returning to their space in Austin in the future.

Michael D. Bolden Managing Director, JSK Journalism Fellowships Stanford University
